WORK IN ACCORDANCE WITH ISSUED PERMIT

MSMPER200 – Work in Accordance with an Issued Permit

This competency applies to persons who are required to conduct work activities under the authority of an issued permit to work and within the context and requirements of that permit. Our two hour session covers the skills and knowledge required to work in accordance with an issued permit.

This typically applies to all work done by maintenance staff and contractors, and also to any other non-process work performed on the plant.

Course Objectives

This unit aims to ensure that people working under a permit to work understand the system, know the limitations of the permit under which they are working and comply with all the requirements of the permit.

Course Outline

- ✓ Identify range and scope of work covered by permit
- ✓ Ensure the right type of permit is issued
- ✓ Prepare to undertake work, including obtaining all necessary safety equipment & PPE
- ✓ Undertake work strictly in accordance with permit provisions
- ✓ Maintain correct house keeping with permit activities
- ✓ Complete work in accordance with permit requirements
- ✓ Query or raise matters about the permit if the scope of work varies from that covered by the permit
- ✓ Obtain appropriate sign offs

Assessment

Participants will be assessed via a written assessment. Participants with literacy/numeracy difficulties or physical conditions should speak with the Trainer to discuss alternative assessment approaches.

Qualification

On successful completion, each participant will be issued with a Statement of Attainment.
